

Anthimos Amanatidis

CEO of EYATH (Thessaloniki Water Supply & Sewerage Company)

Anthimos Amanatidis holds a degree in Mechanical Engineering from the Aristotle University of Thessaloniki and two postgraduate degrees in Sustainable Development and in Energy Production & Management.

Since 2010, he has been an executive at ERGOSÉ S.A., responsible for project tendering as well as the supervision of the construction (Construction Management) of major infrastructure and electromechanical installations.

In 2008, he served as a Consultant for ETAD S.A., specializing in project tenders, concession tenders, and the operation of its branches in Northern Greece. Previously, he was an Environmental Restoration Consultant for the Region of Central Macedonia.

He also served as Vice President of EDA Thessaloniki-Thessaly (EDA THESS), representing DEPA, contributing to the development plan of the company for the period 2019-2024.
